Amendment:

At the end of title II, add the following new section (and conform the table of contents accordingly):

SEC. 2. PROHIBITION ON CONTRACTS TO EDUCATIONAL INSTITUTIONS NOT SUPPORTING U.S. DEFENSE EFFORTS.

An executive agency may not award a contract to an institution of higher education (including any subelement of such institution) if that institution (or any subelement of that institution) has a policy or practice (regardless of when implemented) that either prohibits, or in effect prevents, the Secretary of a military department or the Secretary of Homeland Security from gaining access to campuses of the institution, or access to students (who are 17 years of age or older) on campuses, for purposes of military recruiting, in a manner that is at least equal in quality and scope to the access to campuses and to students that is provided to any other employer. For purposes of this section, the term “institution of higher education” has the meaning provided in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001). The prohibition in this section shall not apply to an institution of higher education (or any subelement of that institution) if the Secretary of Defense determines that the institution of higher education involved has a longstanding policy of pacifism based on historical religious affiliation.

Mr. WAXMAN (during the reading). Mr. Speaker, I ask unanimous consent that the amendment be considered as read and printed in the RECORD.
